CAREER OVERVIEW

I am a UI/UX Developer with expertise in designing user-focused digital interfaces. Skilled in various front-end technologies, I create seamless and visually appealing user experiences. I enjoy solving complex design challenges and collaborating with teams to deliver functional solutions. My goal is to continue honing my skills while contributing to impactful projects.

WORK EXPERIENCE

Software Engineer - L1, Axeno Consulting Pvt. Ltd.   **Aug 2023 - Present**

Project-1: SWIFTEX Product Configurator

- Developed SwiftEx, a tool that empowers non-tech teams to create forms and user journeys.
- Utilized React.js and Material UI to implement key features, including a form builder, journey builder, theme builder, REST API, and database connectors, enhancing user experience and functionality.
- Focused on enabling users to track various aspects of user experience and integrate external tools without extensive coding, significantly reducing development time and effort.
- Collaborated with cross-functional teams to ensure alignment with user needs and project objectives, delivering a robust product that streamlines workflows.
- Gained proficiency in React.js and Material UI throughout the project, reinforcing my front-end development skills.

Project-2 : Ministry of Tourism - Saudi Arabia

- Played a key role in developing the Ministry of Tourism Saudi Arabia's website using Next.js and Strapi, focusing on creating a dynamic and responsive user interface.
- Utilized Material UI to implement a modern, visually appealing design, ensuring a consistent look and feel across the application.
- Leveraged Framer Motion to add engaging animations and transitions, enhancing the overall user experience.
- Collaborated with a cross-functional team to design and implement front-end components, aligning with project goals and user requirements.
- Successfully delivered the project within a tight deadline, showcasing strong time management and problem-solving skills.
- Optimized website performance and accessibility, ensuring compatibility across different devices and browsers.

Project-3 : Bihar Tourism

- Developed and maintained the Bihar Tourism website using Adobe Experience Manager (AEM) and front-end technologies such as HTML, CSS, and JavaScript.
- Collaborated with the design team to implement responsive and user-friendly interfaces, enhancing user engagement and navigation.
- Contributed to the development of the Bihar Tourism mobile app using Flutter, focusing on creating a smooth, intuitive user interface.
- Learned the basics of Flutter and Dart while working on this project.

Software Intern, Axeno Consulting Pvt. Ltd.   Jan 2023 - Aug 2023

- Collaborated with senior developers to analyze client requirements and design web user interfaces that enhance user experience and functionality.
- Maintained ongoing projects by troubleshooting and resolving issues using HTML, CSS, and JavaScript, ensuring optimal performance and usability.
- Explored and utilized various JavaScript libraries to implement complex functionalities and enhance project capabilities.
- Contributed to the development of a Chatbot Application, utilizing third-party APIs to create interactive user interfaces that deliver dynamic responses.
- Developed a Quiz App, focusing on user engagement and experience, incorporating features like scoring, timers, and real-time feedback.
- Participated in code reviews and collaborative sessions, gaining valuable insights into best practices in front-end development.

TECHNICAL SKILLS

- **Technical Skills:** HTML5, CSS3, JavaScript, React Js, Next Js, Tailwind CSS, Material UI, Bootstrap, SQL
- **Project Management:** Git, Bitbucket, JIRA
- **Tools:** Visual Studio Code
- **Strengths:** Logic Building, Time Management, Team Work, Leadership, Effective Communication

EDUCATION

B. Tech - Computer Science and Engineering   2019 - 2023

Manav Rachna International Institute of Research and Studies

8.16 CGPA

Senior Secondary Education (XII)   2018 - 2019

Yuvashakti Model School (CBSE)

7.40 CGPA

Secondary Education (X)   2016 - 2017

Yuvashakti Model School (CBSE)

9.0 CGPA
